ACCESO
200 mts

An aerial photograph of a rural landscape. A large, irregularly shaped area of land is outlined with a thick yellow line. This outlined area is primarily covered in dense green trees and shrubs, with some patches of lighter green grass or brush. To the left of the outlined area is a large, open green field, possibly a golf course or sports field, with some circular patterns. To the right and bottom of the outlined area are agricultural fields, some of which appear to be harvested or fallow. In the top right corner, there is a black rectangular logo with a yellow semi-circle above it, containing the text 'COARASA INMOBILIARIA'.
